Fifty years passed way too fast. Wish we could have slowed down and enjoyed it more. Too busy trying to be successful, raise children and see what was coming next. Married 45 years to the love of my life. Two beautiful and talented daughters married to two great guys who are like sons to me, with five grandchildren for us to spoil. Worked for two banks and three national companies and never had to relocate!

Good roots, great family, and numerous solid, caring friends throughout life. All have softened the rough times and shared joy and laughter. Challenges, losses, and disappointments have brought tears, but they were many times replaced with cheers for new opportunities. It's been an interesting journey. May this adventure continue. Fifty Years summarized in Fifty Words (written/typed legibly)

I guess I went beyond fifty words, so feel free to cut what you wish:

My last fifty years have been filled with wonderful people and wonderful experiences. We have four children, one son-in-law, and one grandson. Our youngest son is Colombian. Fortunately most of our children live near us. We are very proud of them.

I have been fortunate to be able to travel throughout the world. My most cherished travel experiences were two mission trips to Africa. African people are amazing. I have seen the pyramids, traveled in Europe, China, Russia, the Scandinavian countries, and South America.

Recently I have truly enjoyed renewing some of those wonderful high school friendships. Those high school years were very special and so were my friends.

Fifty Years: Too little space, too many words. 1976 headed for Columbus OH to manage a daycare center. After 9 months of 105 children daily and a too friendly owner I left. Worked in different secretarial positions until 1997 when I became a “federal” employee.

My children are wonderful, my grandchildren are precious and life is outstanding. I live with my son Curtis, his wife Lari and my two grandchildren, Cody & Libby, in Grove City and could not ask for anything better. I am blessed everyday.

I married Dan Schwarz in 1963 and moved to Ithaca, N.Y. so Dan could begin a teaching career at Cornell. After having two sons, I taught his English and completed a Masters' degree. Next, I became an elementary principal, first in a primary building and then in an intermediate building. I finished my career as a school superintendent/adjunct college professor at the State University of N.Y. During this time, I earned a Doctorate at Columbia University. Discharged from Navy the summer of 1965. Came home to Fort Lauderdale and worked for two computer companies. It was during this time I met and married (4-12-1974) my wife, Martha Jane, the best thing I ever did right during this 50 year period. We celebrated our 35th anniversary this year. Dear George:

It is with regret that I am unable to attend the 50th reunion, but my husband has suffered a stroke, and while thank God, his right leg, arm and hand are affected, but otherwise his faculties, etc. were not, he is uncomfortable attending social events in his wheelchair. But I want you to know how much I admire and appreciate the great effort you and all those who have helped you have gone to and the results you have achieved. You always were a class act.

Fifty Years summarized in Fifty Words (written/taped legibly) (WE SHOULD HAVE 1 WORD FOR YEAR OF LIFE SO I TOOK 67)

IT SEEMS TO ME THAT LIFE IS LIKE A STEEPLECHASE. WE LINE UP TOGETHER AT THE START AND RUSH OFF TOGETHER UP AND DOWN OVER SMOOTH GROUND AND ROUGH, JUMPING KNOWN HURDLES LIKE EDUCATION, MARRIAGE, KIDS, WORK, PARENTAL CARE, AND THE OCCASIONAL SURPRISE OBSTACLE. LIKE DIVORCE, DEATH OF OTHERS OR FINANCIAL DIFFICULTIES. NOW WE'RE ON THE DOWNWARD SLOPING STRETCH CROSSING THE FINISH LINE ONE AFTER THE OTHER.

P.S.

IF WE'VE BEEN LUCKY THERE HAVE BEEN A LOT OF HAY AND OATS AND A FEW TROPHIES ALONG THE WAY - I HAVE BEEN. LIKE EVERYONE, I'VE DONE LOTS OF THINGS AND BEEN LOTS OF PLACES. I'VE BEEN EDUCATED, MARRIED, DIVORCED, RAISED A KID, OWNED SEVERAL BUSINESSES, LIVED IN SPAIN, AND BOUGHT AND SOLD LOTS OF STOCK AND REAL ESTATE. ALWAYS FOUND AND FIND TIME TO FISH AND HUNT. NOW INTO RACEHORSE OWNERSHIP AND BREEDING

Education: some college, traveled around the world in 80 days after graduating from Ft. L High; attend Gainesville, U of F for one year; traveled again: England-lived with my family for one year; returned to Ft L. worked various jobs; married for 34 years; returned to school; currently attending Central Piedmont Community College with a focus in fine arts; media: pastels, water oil, acrylic, oils. I am commissioned and collected. Very active in the church was Episcopal now am Anglican. Future plans: continue art expression-thanking God, whose only son is Jesus, for all with which he has blessed me. Much of this blessing is being part of the Flying L's and knowing many who have favorably influenced my life. There was grief upon reading the list of those we have lost. Thank you all so very much for including me in all this wonderful email correspondence.

Fifty Years summarized in Fifty Words:

We attended FLHS during the "Golden Age" of public schooling for Caucasian middle class America. Unfortunately for other ethnic groups, it was not as "golden". As we continue to join together, the future looks promising and could we all survive to witness schooling in 2059, I am sure that we would be delighted with the progress made.

Hi George and Dave,

It is now definite that I will not make the reunion. I have been retained as a consultant with an organization (OECD), and have to present my report to that organization in Paris during the reunion. I'm sorry I'll miss the reunion, and wanted to thank you both for all your efforts in putting this together. From talking to other friends my age, this is definitely the best planned/organized reunion going on.

Have a great time at the reunion.

Dave Pender
