Fifty Years summarized in Fifty Words (written/typed legibly)

My experiences as a student, teacher, wife, mom, grandmother, business owner, and friend make me realize there is always something new to learn and share. I've found that people come into our lives for a purpose when needed, both to bless and be blessed by our time together. I'm grateful that prayer, optimism, expectancy of good, and laughter have supported and enriched my life.

Fifty Years summarized in Fifty Words (written/typed legibly) After high school, I attended Stetson U. There I met and married my first husband as a sophomore. Moved to Atlanta to put first husband through Emory Law and had two sons. Divorced and moved to Winter Park, Fl. in 1969. I then enrolled in Rollins College night school while working as a bookkeeper and taking care of my wonderful boys. While at Rollins, I met and married my second husband. Graduated from Rollins College 1975 and went to work for Osburn, Henning & Company CPAs.. a large local Firm in Orlando. I attended Rollins graduate school to obtain credits to sit for CPA exam. Sat and passed 1977. Split with second husband and since I haven't been back to school again, I have remained single. I became a tax partner in 1985 but found after a while that most of my clients were contractors so I moved from tax to Construction accounting and became a member in AGC, ABC and NAWIC. I really enjoyed the construction industry and working with contractors. I retired in June 2007 and moved to Roswell, GA at the request of my older son.

Meanwhile both my sons did well in schools in Winter Park and went on to college. Don has a Phd in Organic Chemistry from Georgia State and Harmon has a Masters in Environmental Oceanography from Florida State and is working on his Phd. Both sons never left their respective schools and continue to work there. Don's wife Karen also has her Phd. I am living in Rowell and enjoying retirement. I recommend it to everyone. See you at the reunion.

I went to North Carolina to college at Elon College. I met my wife Peggy and we raised our two girls LeeAnne and Leslie in North Carolina. Along the way we had stops in Charlotte, NC and Duluth, GA.

In 1985 I opened my own business, retired in 2004, and moved to Mount Pleasant, SC where both of our girls had moved.

We enjoy seeing our five grandchildren nearly every day. It is so exciting to watch them grow and to have time to do things with them.

Travel is one of our greatest interests. We traveled in a motor home with our oldest grandchildren all over the United States and Canada for several summers. We have enjoyed cruises and trips to Europe. Our biggest venture was last year when we went to Africa for three weeks.

It will be fun renewing old acquaintances.

Lee Vaughn
